

COLLECTION BINS

Built for efficient, large capacity medical waste bins, FRONTIER® foot pedal roller bins are easily maneuverable and high on functionality. The tough construction of our foot pedal wheel bins makes it easier for users to move heavy loads to pick-up points. We are foot pedal bin suppliers to various hospitals, Medical labs, nursing homes etc. The foot pedal enables the user to open the lid without touching it with their hands. Large wheels make it easier to move over rough surfaces. Usually provided with galvanized metal accessories but can also be supplied with SS accessories upon request. Fully labeled bins for medical segregation. Frontier Polymers Pvt. Ltd. is your ideal partner as a foot pedal bin manufacturer from India. Our foot pedal bins are very easy to clean.

HEAVY LOAD TRANSFER SYSTEM

special colour coding and signage for Medical usage

Medical waste collection bins are provided with stickers and colour coded lids for proper sorting of hazardous waste
