

# Doffing Baskets

Frontier Crates also termed as Doffing Baskets or textile crates are a ONE PIECE MOLDED container with smooth internal walls. These containers are CHEMICAL RESISTANT, LIGHT WEIGHT & MAINTENANCE FREE. Also available in UV stable grade of Polyethylene (PE) for outdoor use applications. An ideal solution to save costly floor area in any industry, Frontier crates are widely used in textile spinning, ring doubling, twisting, finishing & winding departments and various applications in food processing, light engineering & pharmaceutical industry. Our containers can be provided in various polymers like C6 Hexane PE, HDPE, Cross Linked and even PP. We provide our Polypropylene (PP) containers without any welding in One Piece Moulding. So you never have to worry about leaks.

Made with a perfect design of rib reinforcement on the side walls

## Key Features

- ! Easily Stackable and can be easily mounted on dolies or trolley for the ease of movment.
- ! Lighter in weight than the conventional steel containers and require no maintenance
- ! Available in a range of colours to suit the customer's requirement

Model	Capacity (Ltr)	Length (mm)	Weight (mm)	Height (mm)
FDB- 61	54	525	360	315
FDB- 71	60	600	400	315
FDB- 91	88	600	400	365
FDB- 91 A	80	600	400	320
FDB- 251	250	820	560	585
FDB- 301	285	930	630	525
FDB- 401	400	1145	760	620
