

Food Storage Containers

FDA complaint FRONTIER® containers are safe for storing dry food ingredients. Easy to handle, the containers are available in varying sizes to cover a wide range of requirements in any high performance kitchen.

Stackable storage containers

Flat lid and slanting sides allow easy stacking while filled as well as when empty enabling efficient space utilization

Use our dolly for smooth & quiet operations

Quiet, non-marking, swivel castors reduce fatigue and make load management easier

Model	Diameter (mm)	Height (mm)	Volume Capacity (Ltr)	Max Load Capacity (Kg)	Flat Lid Option
