

COLLECTION BINS

Built for efficient, large capacity waste movement, FRONTIER® foot pedal bins are high on functionality. The tough construction makes it easier for users to move heavy loads from pick-up points to disposal points. The foot pedal enables the user to open the lid without touching it with their hands. Large wheels make it easier to move over rough surfaces. Galvanized metal accessories are used to provide longer shelf life. Frontier Wheelie bins are strong and Durable and work for many years without requiring any servicing. The design is modern with many lid colour options. Frontier bins are easy to clean and suitable for both indoor and outdoor applications. These foot pedal bins are a great fit in Restaurants, Hotels, Airports, Public Spaces, Marriage Halls, Places of Worship, Large Bunglows etc.
