

Round Bins

Available in a wide range of sizes and various options for lids and mobile dolly, these round bins are designed to meet all the needs of a high performing kitchen or garbage handling. It is constructed using high grade polymer for superior functionality and extreme usage.

Lid Variants

The open funnel shaped lid has a catches-all design that increases productivity and ensures an hygienic environment. The closed flat cover keeps the load covered, and the environment odourless and hygienic

Closed Flat Covered Lid

Controls odour and insects

Open Funnel shaped Lid

Quick collection at work stations and high traffic areas

Use our dolly for smooth & quiet operations

The added dolly option makes FRONTIER® a highly user-friendly bin. The high quality castors ensure quiet and smooth movement. The dolly is equipped with a twist lock mechanism that secures the bin and offers controlled mobility
